# *Thanks For The Memory*

To the seniors —  
Thanks for the memory  
Of the class of fifty-two,  
You ~~are~~ a jolly crew.  
We give you our best wishes and send lots of luck to you—  
So thank you so much!

To the underclassmen —  
Thanks for the memory  
Of school and its fun,  
Of many a witty pun,  
But remember after you graduate the prize that you have won.  
Oh, thank you so much!

To the faculty —  
Thanks for the memory  
Of leadership and such  
You never were a soft touch.  
For this 'n that we thank you oh so much,  
Again we thank you!

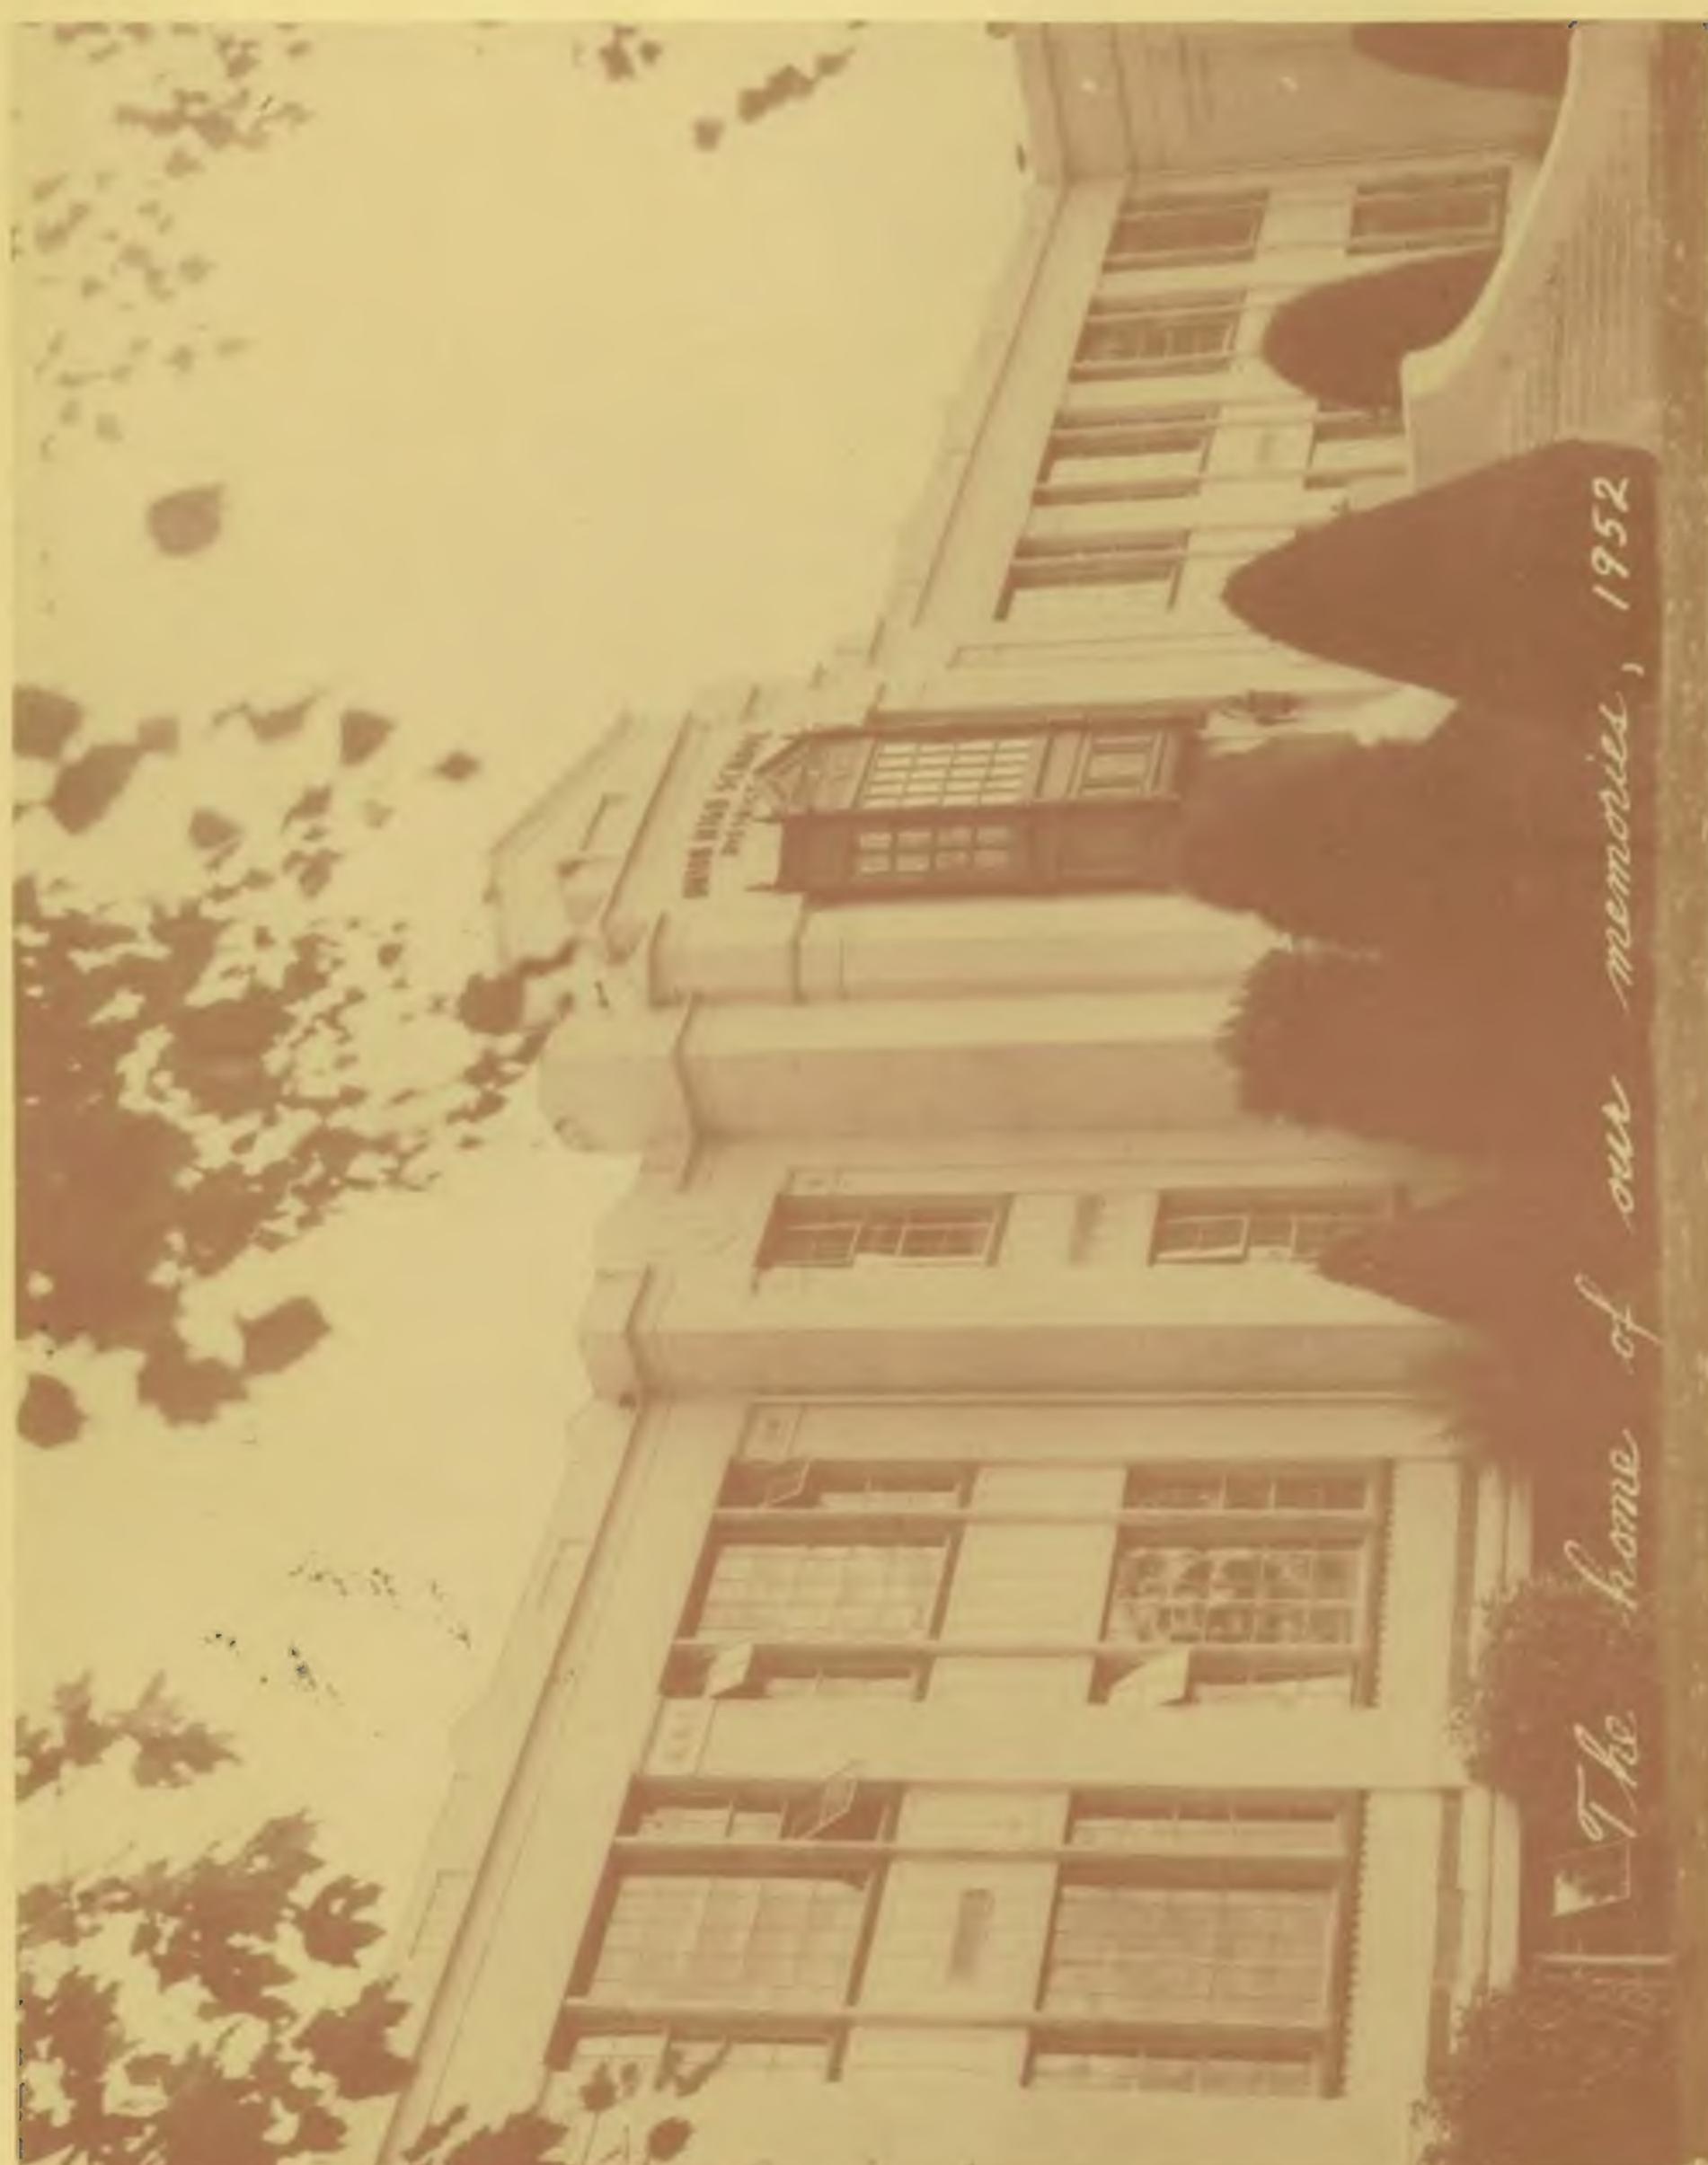

To our organizations —  
Thanks for the memory  
Of faces always bright,  
That made us feel just right,  
To never see these again is like losing part of your sight.  
So thank you so much!

To the activities —  
Thanks for the memory  
Of dances and plays  
And twirp season days,  
To forget all this is the price age pays.  
So thank you so much!

To the sports —  
Thanks for the memory  
Of the night Oregon City came,  
For many a thrilling game,  
No matter if you won or lost you still brought us fame.  
So thank you so much!

1952

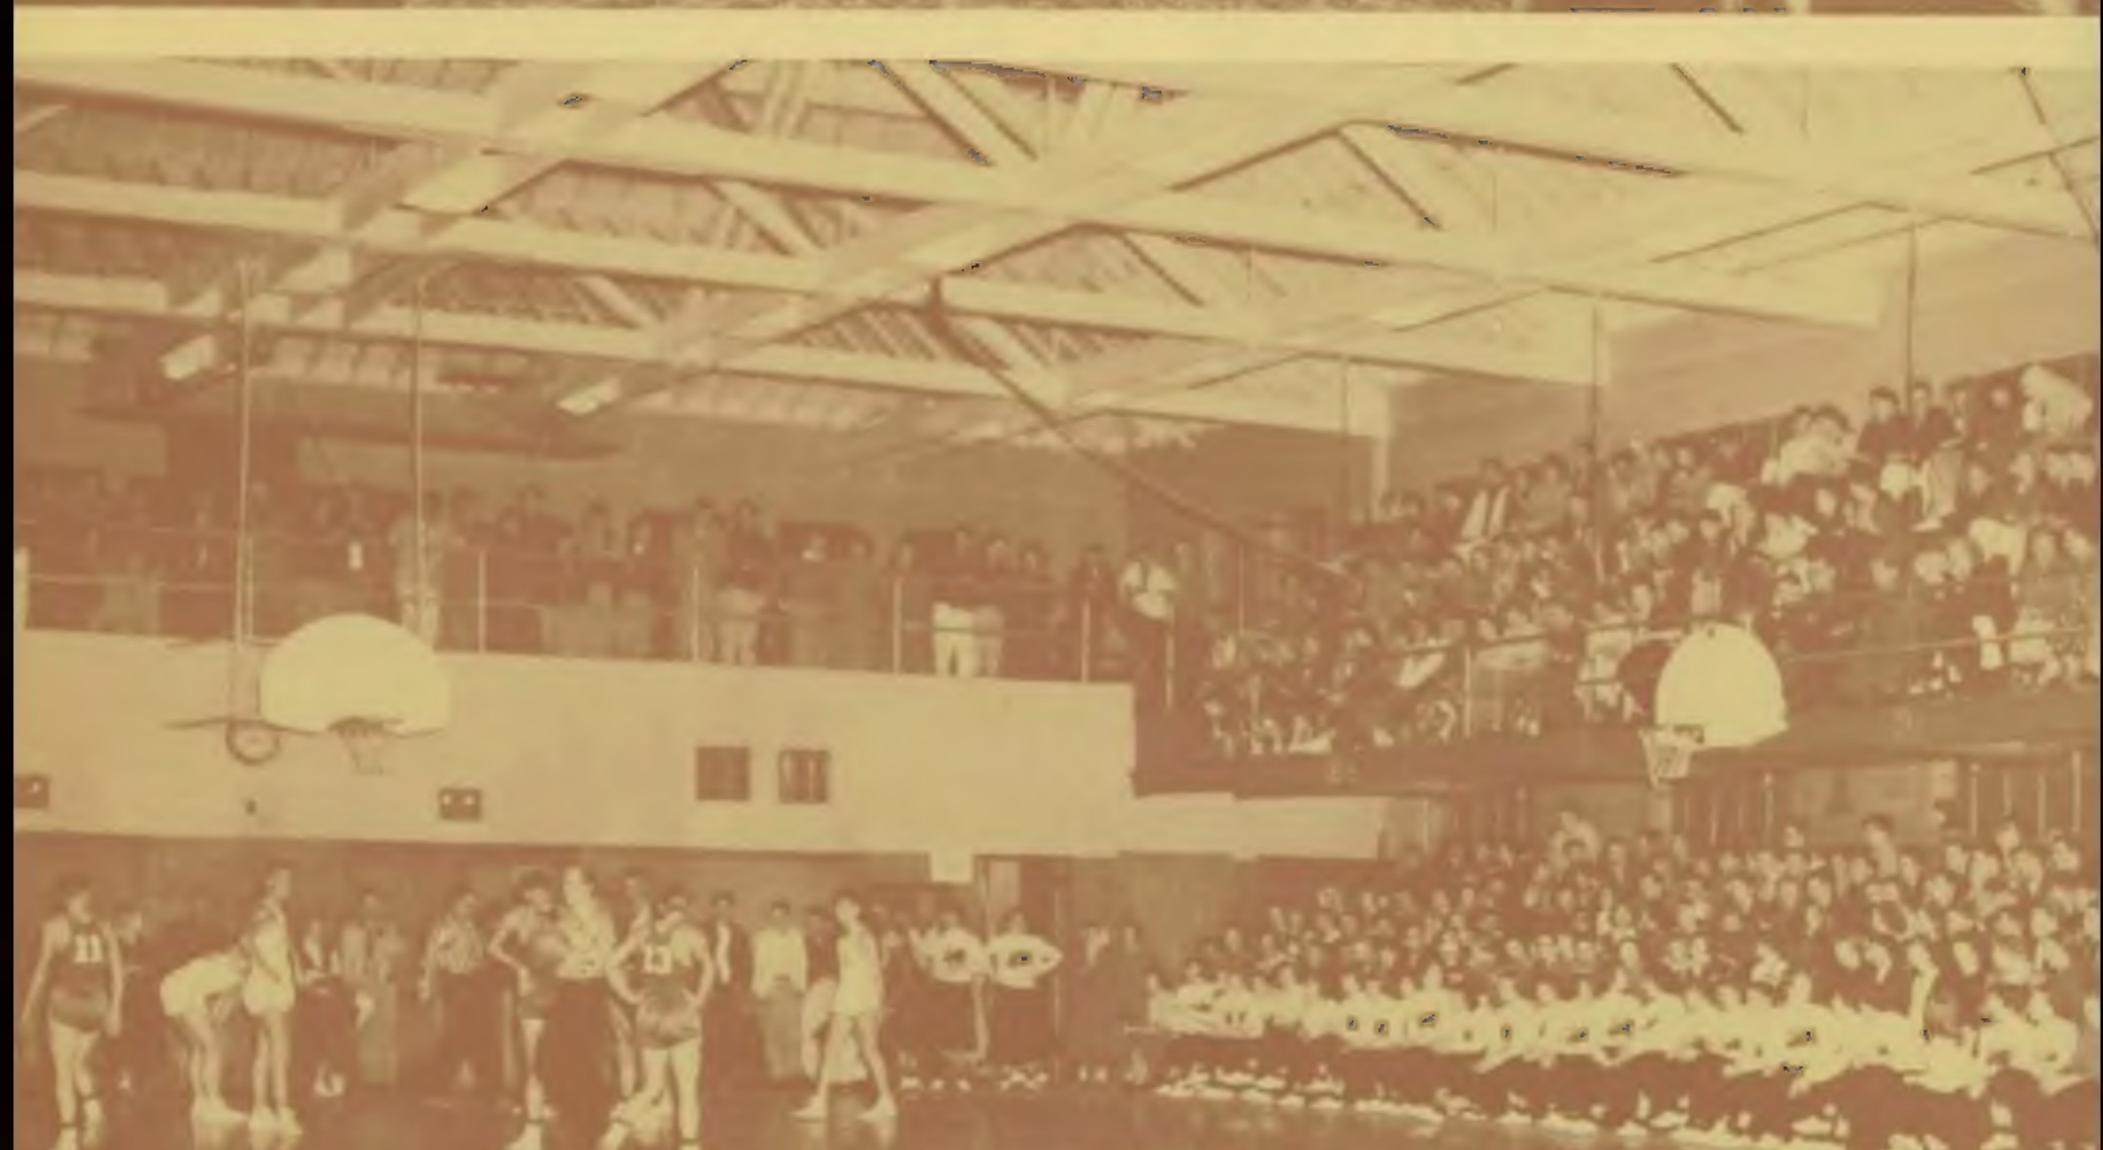

The home of our memories,

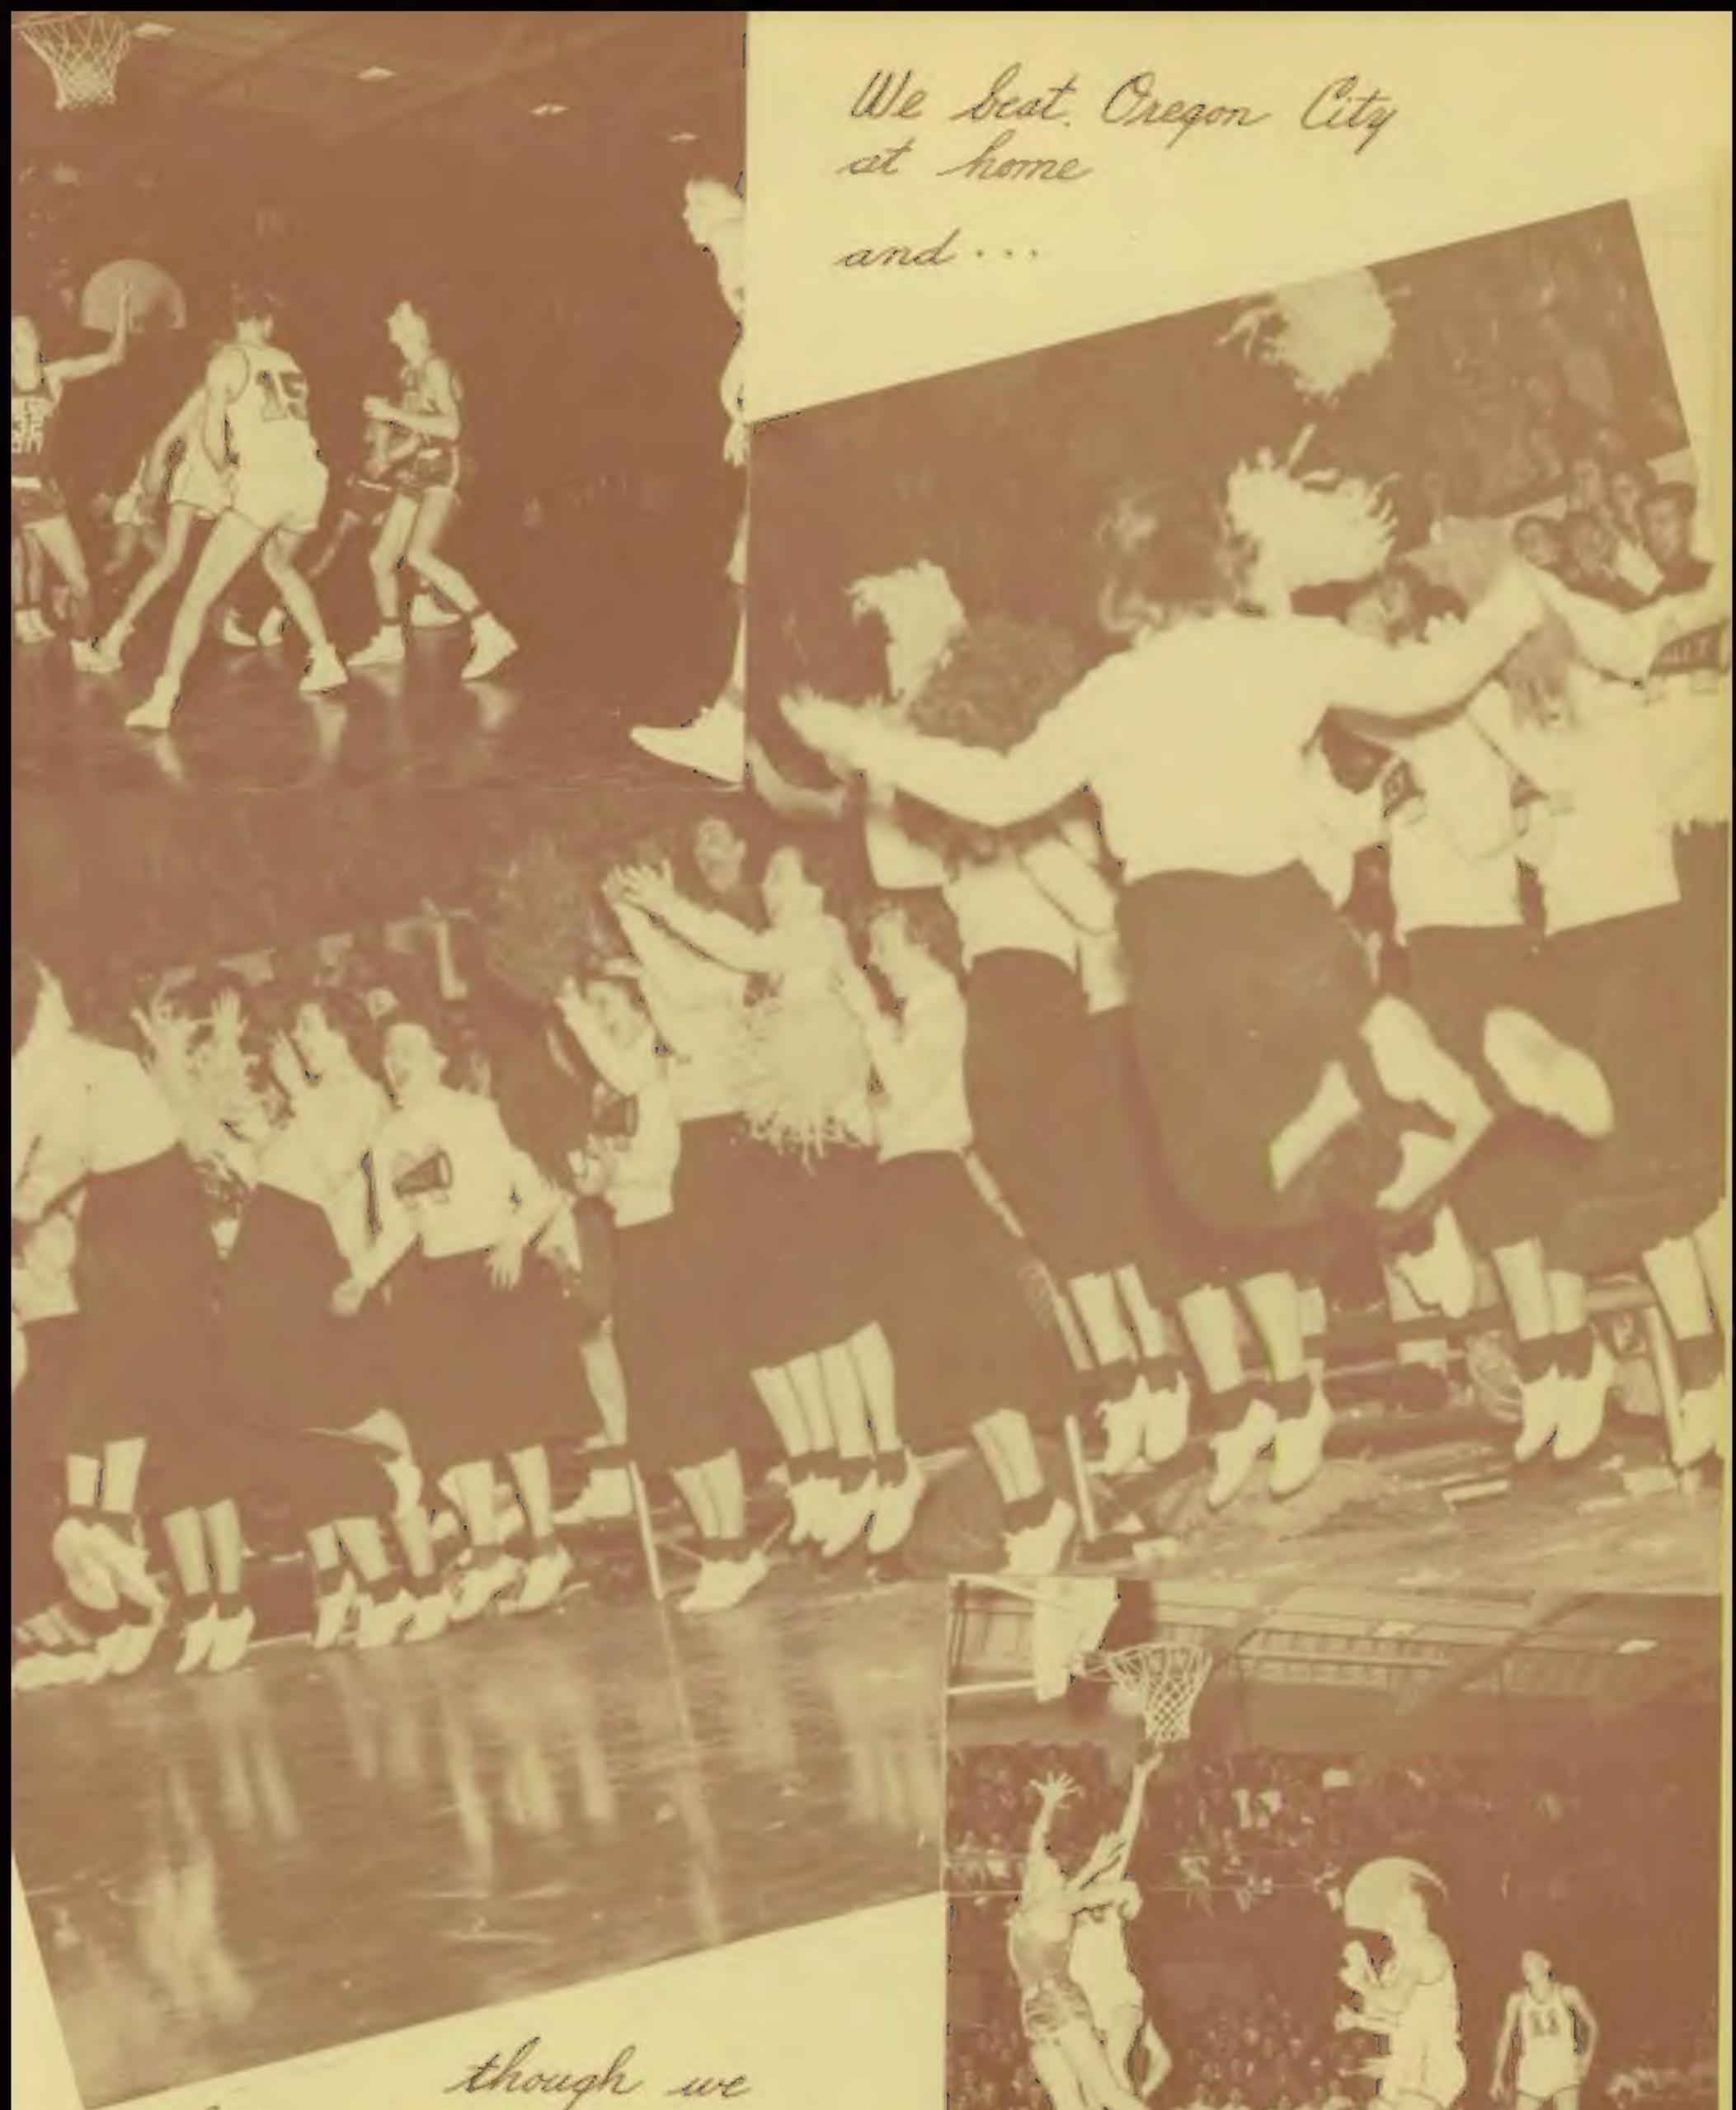

Janet  
I'd like to wish you  
a lot of luck in  
the future

... was presided over by the president

The Milwaukee corral - where opponents found  
the mustangs hard to tame

We beat Oregon City  
at home  
and ...

though we  
lost out at Eugene -  
we sure cheered!

*To the Class of '52*

*May you join me in cherishing memories of the many  
fine and worthwhile experiences which we have en-  
joyed together during the past four years in MUHS.  
The greatest of success and happiness attend each of  
you in the years to come is my sincerest wish.*

O. D. Byers

*Submission and Approval*

Our thanks to you Mr. Byers for all that you have done for us during the past fifteen years, for the many things by which we will always remember you.

Your spirit of co-operation, your active interest, and the unsunken faith in us and in our school have helped in all our activities, both scholastic and extra-curricular.

We thank you for the many hours spent both during and after school, and for your untiring efforts to place and keep ours as one of the top schools in the state.

We, the students, dedicate this our 1952 Maroon to you, Mr. Orrin D. Byers.

Thanks for the memory.

Vice-Principal

Our institutions today are different than they were in 1910. The business world has become more competitive and more exacting. Businesses must be more efficient and more honest in their operations. They must be able to adjust their premises to the needs of the market. On the other hand, there is a greater appreciation in man's character and in the character of his work. There is a greater respect for the individual and for his rights. Though our institutions have changed, they still remain true to their original ideals. They still strive to provide education and training that will prepare young men and women for the challenges of life. A man's character and personality are the most important factors in his success. It is important to remember that character is the highest form of education. It has been a pleasure to serve the students and faculty for the past three years.

"When Time, who steals our years away,  
 Shall steal our pleasures, too,  
 The memory of the past will stay,  
 And half our joys renew."

—Thomas Moore.

# The Milwaukeeian

After winning the \$600 Barnes S. Johnson award for newspaper man of the year, Milwaukee was about to drop its standard paper every two weeks and most of them than ever seven columns, the standard enough to please anybody. About a year ago, by name Louise Simpson, and losing its adviser, Gen. Bowles, Mrs. William Olsen, the paper came out after showing the work and trouble behind it all even sported green ink at Christmas time!

A convertible is the right choice when the weather arrives. Ray Bryde's '36 Ford is a neat and trim example.

Eldon Edwards drives a '39, two door Chevrolet. His sedan boasts a smooth example of the very popular and correct primer coat.

Danny Hanna's "rod" does much to dress up the informal racing strip in front of the little red school house. His '36 Ford roadster has the distinction of being the only rod in Milwaukee.

## Assemble

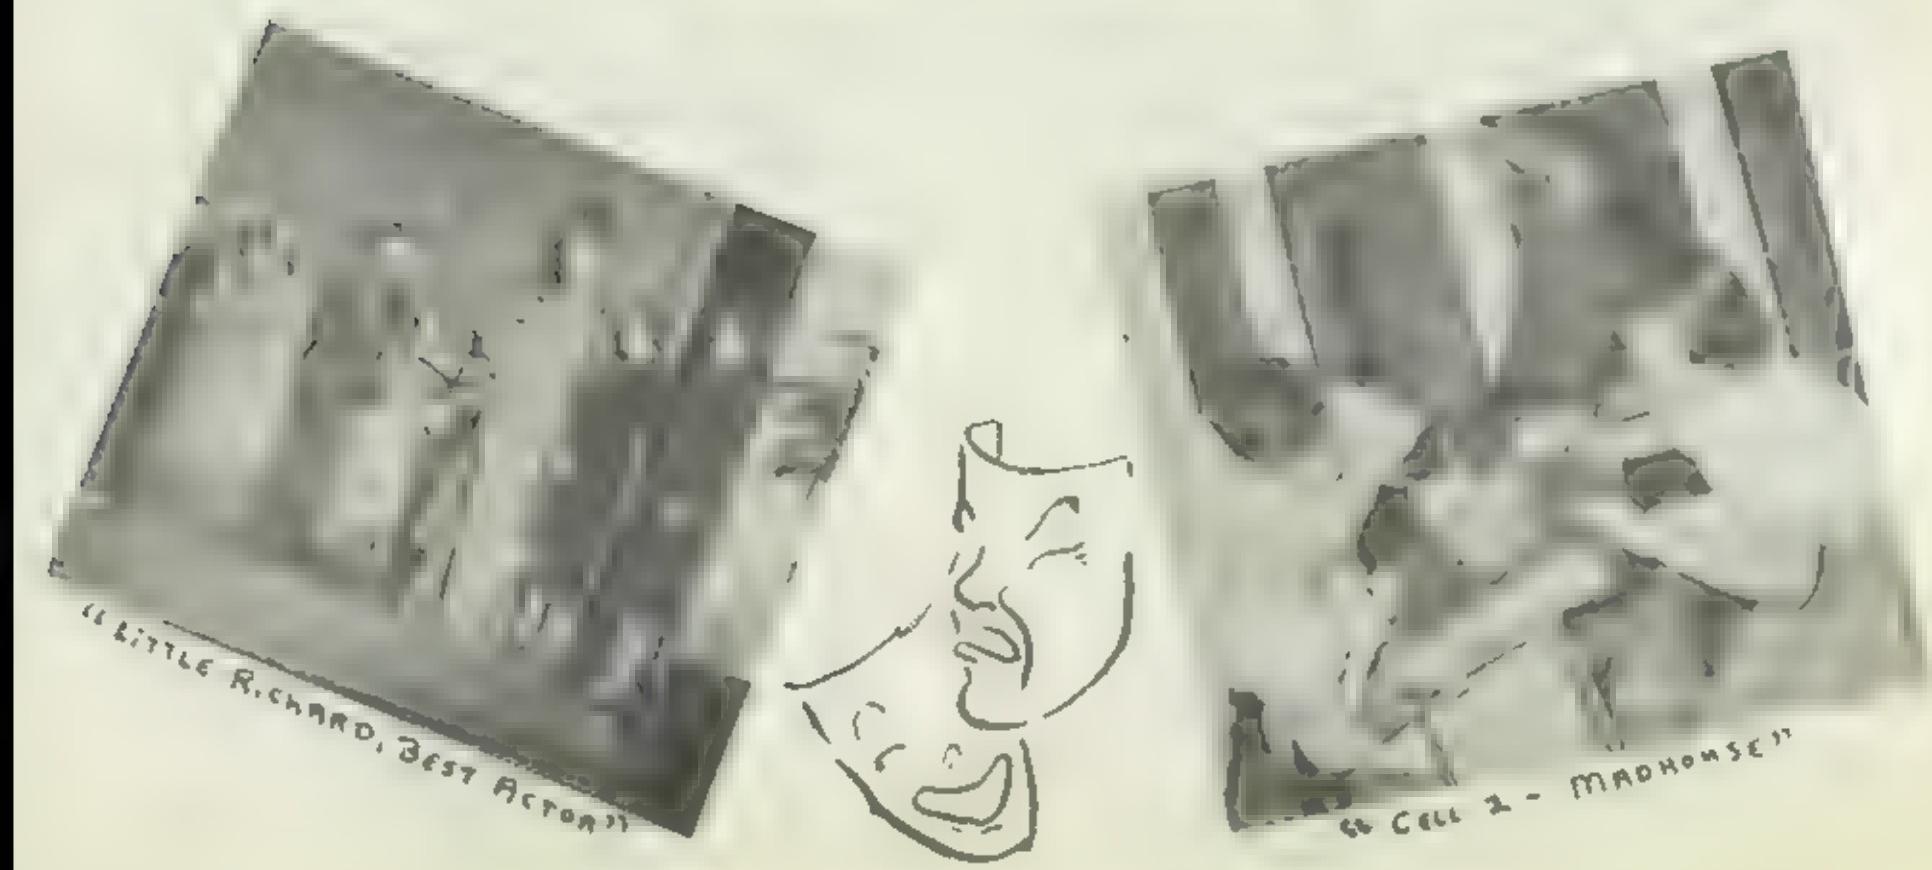

The Ford coupe isn't the only one with an master job writer Eldon Edwards has to have when it's his turn to drive.

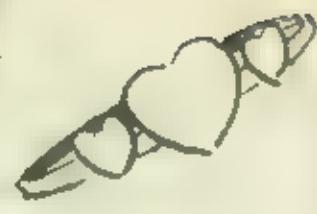

Dewane Wolden pilots one of the more aristocratic members of the MUHS transportation system. His maroon '49 Ford is an unfinished, four door custom job.

Square dancing is back in vogue again after a long absence. A new square dancing group, the Gymnastics, Inc., has been formed by Byron Boyd, a former member of the New York City and Hollywood Square Dancers. The task of getting things started was given to Carolyn Seelie, a former member of the New York City square dancing group. Carolyn Seelie . . . she smeared her competitors.
